

Looking Good

Money for things like clothes, laundry, toilet paper, toothpaste, haircuts, make up. Keep in mind most jobs require a certain level of professionalism in your dress and appearance. A person who comes to work dirty and in old clothes will likely lose their job. **It is up to you to decide how much to spend on looking good.** I recommend strongly you purchase clothes and toilet paper.

Clothes and Shoes (per person). Replacing old clothes as they wear out with cheap clothing choices is at least \$20/month. Name brands, nicer clothes and such can cost a LOT more.	\$20+
Toiletries (per person), toothpaste, soap, shampoo, toilet paper...	\$\$\$
Laundry and Cleaners (per person). You want your clothes clean, right?	\$\$\$
Hair Care (per person). Hair dye, curling irons, highlights, gel, moose, etc.	\$\$\$
Other Expenses (per person). Jewelry, belts, watches, or anything else...	\$\$\$

Just for Fun

None of these items are required. However, your quality of life, therefore your grade will be reduced if you do not include some fun items.

Movies/games/concerts. It would cost each person about \$10 to go to a movie or a \$100 for a concert. What you do and how often is up to you...	\$\$\$
Dates/Trips. Are you going out on dates? Do you plan to travel? A date costs at least \$40. How often do you plan to go out or do exciting things?	\$\$\$
Music Purchases. How much will you spend on music?	\$\$\$
Books/Magazines/Newspapers	\$\$\$
Hobbies (per person), things like collections, sports equipment, clubs	\$\$\$
Other (per person) What else do you do for fun?	\$\$\$
