

We are in need of several parts to help complete our project of re-building a Chevy S10 truck by May 2015. If you have any of the items from the following list that you would like to donate to our club, please contact one of our advisors at Bathurst High School, (506)547-2766.

- Rad – 3 Core
- Line lock
- Shifter
- Torque convertor/flywheel
- Plugs and wires
- Starter
- Wiring for engine
- Pedals
- Deep cycle battery
- Wheels and tires (slicks)
- 1×1 square tubing to build frame for existing box for the Chevy S10
- Aux motor for water pump
- Seats with belts
- Sheet metal
- Fuel (gas cards)
- Electric fuel pump
- Transmission cross member and mounts
- Gauge package
- Switches
- Traction bars
- Battery master switch
