Hello BHS Families,

As you are aware, CUPE is taking legal job action with their employer and as such, schools will temporarily be closed until further notice. As we work through this, Bathurst High School teachers will continue to work with our students through our online learning platform, Microsoft TEAMS. Link below with login instructions if needed.

Students are responsible to login to TEAMS during their regular classroom time to check in with their teacher and to receive further curricular instructions. We realize that this is not ideal and can be difficult for many. However, we worked through this process before and can work through this again. Attendance will be taken at the start of every class. It is therefore important that you continually check in everyday with your teacher during class time.

- Period 1 – 8:30
- Period 2 – 9:39
- Period 3 – 10:58
- Period 4 – 1:02
- Period 5 – 2:11

If a student needs something from BHS, they can come either Monday or Tuesday between 12:00 – 2:00 to retrieve their belongings. Please use the King Avenue Entrance by the Main Office. Outside of this time, arrangements will need to be made by contacting one of the BHS administrators, see emails below, and we will make arrangements with you. Please understand that we cannot make individual arrangements with the whole student body.

If your child attends the Personalized Learning Center (TC), Roberta Whelton will be there on Monday from 12:00-2:00 for students to come in and retrieve what they need.

If your child works with our Resource Department, Richard Gallacher or Vanessa Abernethy will be in contact with you. If you need to reach one of them, please contact them by email at the following addresses:
